New Summer Hairstyles

All of the girls wanted their yearly hair cut. But when they found out that the gals who usually cut their hair were not coming on the teams this year they were sad. There was a beautician on one team, but she only had time to do one hair cut. Then a donation came in for the rest of the girls to get their hair cut in the beauty salon. None of them had ever been to a salon before so it was a new experience. I use a beautician from Canada who lives here. She was happy to meet the girls after hearing about them for years. Thanks, the donation was a real blessing!

Nearly 100 Visitors

Our visitors are always a blessing to the girls and the ministry. The girls are happy and always feel good that others are interested and care about them and their future. It is a blessing to them when teams take time to include them in their mission trips.

Thanks for allowing the girls an opportunity to share a small piece of their culture with you by showing you how their typical clothing is worn! Thanks for playing soccer with them! Thanks for singing in Spanish and English with them! Thanks for practicing your Spanish with them! Thanks for taking them to the cross! Thanks for the movie! Thanks for the crafts! Thanks for taking them out to a restaurant for supper! Last but not least thanks for the pizza!
